

Best practices 2021-2022

BEST PRACTICE: 1

Title of the Practice: Regular Conduction of Student-Centric Activities:

Objectives of the practice

- a) To provide additional subject knowledge beyond the curriculum,
- b) To expose students and faculty members to the experts from their field of interest,
- d) To build up leadership qualities in students.

Context

Subject related activities motivate students and build up their interest in the subject. organizing these activities, the students develop various life skills.

Practice

All the Departments of the College have designed various certificate and skill development courses to bridge the gap between the curriculum and requirements of industry and corporate sectors. This provides extra knowledge to the students.

Various types of events such as Invited Talks, Role Play, Quiz, Essay Writing, Elocution, Aptitude Test, Innovative Concept Presentation, Research Paper Presentation etc. are organized.

A large number of students participated in programs like AIDS/HIV Awareness Programme ,Birth Anniversary of Gandhiji, Road Safety Week(Inauguration Programme), State Youth Parliament (Speech Competition) etc. Environment Day, International Women's Day, International Yoga Day, Vanamahotsava, Annual Sports, Freshers' Welcome, Saraswati Puja and all other nationally important days are celebrated with great enthusiasm.

Evidence of success

All the records in the form of application letter duly signed by the Principal to grant the permission, notices of the programmes, attendance records of the participants, reports of the events and photographs are maintained in chronological order.

Problems encountered

Fund-constraints in organizing such events

- . Inadequate number of supporting staff
- . Paucity of time amid the busy academic schedule

BEST PRACTICE: 2

Haritaabh: To create a clean, green and eco friendly campus.

Objectives of the practice

To promote awareness of environmental issues among the students, staff and society.

To conduct activities to support environment.

Create awareness about importance of balanced environment among students and staff and plan actions to save our environment in order to make our life safe and healthy.

Context

In recent times, nature is being destroyed rapidly due to excessive use. Therefore, the NKBMG College family has made a humble attempt to educate the students about the importance of nature through its "CLEAN AND GREEN" practice.

Practice

It is this idea of 'CLEAN AND GREEN' which we want to inculcate in NKBMGs so that they take responsibility in themselves to make their surroundings clean.

Holding awareness camps on conservation of nature from time to time.

Planting trees in campus and in different local schools .Enough number of dustbins are placed in the college campus.

Celebration of important dates related to our best practice. . Sahchar yuva van was established by the college in which different varieties of plants are grown.

Evidence of success

With the establishment of the Green Club in the College, the teaching, non-teaching staff and students, in particular, are very much involved in beautifying the College Campus. The students are becoming more aware while using the College properties. The College Campus now has a cleaner look.

Problems encountered

Sometimes different useful plants are destroyed by the monkeys on the college campus. The monkey menace in the campus – The monkeys attacked the fully grown flower or fruits bearing plants and uprooted them completely.

Best practices 2020-2021

Best practice1

1.Title of practice

Proper implementation of corona guidelines issued by government for better female health and hygiene

2.Objectives of the practice

Awareness about Corona in safe health practices please to better health conditions.
to ensure the safety of students and staff from covid 19

3.Context

Better health and hygiene conditions lead to better health, confidence and overall growth of any individual.

the task of bringing students back to the campus required meticulous planning the institution had to assure safety with the strict covid protocols

4.Practice

Various online awareness programs and activities were conducted by the NSS team under supervision of Dr. Reeta of the college.

Mask Bank was maintained by the college in which 1000 masks made by NSS volunteers of the college were distributed among local communities to keep themselves away from the virus.

5.Evidence of success

The college promotes well being of its students and local community in the time of Corona pandemic various awards and recognition received by Nodal Officer NSS of the college and volunteers. The local community prevented themselves from the spread of Corona with the help of masks distributed and awareness spread by the college.

6.Problems encountered and resources required

Regular monitoring of health and hygiene

Hesitation regarding vaccination and fake rumors regarding intake of vaccination

Need of more human and financial resources

Best practice 2

1- Title of the practice

Establishment of first mask bank in district

2-objectives of the practice

Prepare mask, for the needy people in pandemic time

To distribute mask to, prevent from Corona infection

3- the context

In the unprecedented time of Corona Pandemic NKBMG degree college with the help of NSS unit of MJP Rohilkhand University started the facility of Mask Bank at the approachable place to prevent people from the spread of Corona infection.

4.practice

With the help of this mass Bank people can easily take free mask and prevent themselves from the Corona virus infection

In this mask Bank college donated 1000 mask to prevent the local plumber public from the infection of Corona

5- evidence of success

People who are not able to buy masks from the market can easily take masks from this mask Bank so it provides free mask facility to the people.

Masks could be the life saver in the time of Corona pandemic so this type of free facility of masks appreciated a lot and benefited the local people a lot.

6- problems encounter and resources required

Manpower required and other volunteers to maintain the mask Bank.
